

SPEAK UP for your **school**

Find out more:

Schools in England face budget cuts, job losses, increasing workloads, and unpaid overtime due to government underfunding.

We need you to speak up for your school in UNISON's consultative ballot. We want to know what you think, and what you are prepared to do, to help us stop workload increases and to defend terms and conditions and jobs.

The online **consultation opens on 22 January 2019** – it's just three simple questions and your answers will help us in our campaign.

Please have your say.
