**Why become a Champion**

One Champion in every school would mean 25,000 school support staff champions across England representing the voice of over 250,000 members.

With that kind of strength you'll ensure:

- Support staff in every school are kept informed of SSSNB progress.
- Your UNISON bargaining team represents your views and priorities accurately.
- 100,000s of support staff can coordinate on activities to secure the best possible new deal from govt and employers.
- Members in every school can vote on any future deals and determine next steps collectively.

Negotiating school support staff pay

Unison is at the forefront of exciting new legislation for school support staff. Working with the government to create a new negotiating body which will decide pay, terms and conditions, as well as taking a new approach to staff training and development.
